Experience a whole new world with Starbucks Discoveries® chilled cup coffees

For a taste of the *Starbucks Experience* and a glimpse into a faraway land, discover Starbucks foray into the fresh chilled cup coffee arena. Starbucks Discoveries® chilled cup coffees offer a blend of Starbucks® coffee with fresh milk and indulgent flavors for an authentic coffeehouse beverage to enjoy anytime and anywhere. The distinct blends of Starbucks Discoveries® chilled cup coffees are currently available only in international markets, including Japan, South Korea and the UK.

Seattle Latte: This classic blend of Starbucks® premium coffee and fresh milk is inspired by Starbucks hometown of Seattle, Washington, the place where it all began with one store in the famous Pike Place Market. This traditional latte is lightly sweetened and uses Starbucks® Espresso Roast coffee, the coffee used in our coffeehouses around the world, making it a customer favorite. Available in Japan, South Korea, the UK and Germany.

Milano Espresso: A flavorful, bold beverage of Starbucks® Espresso Roast coffee and fresh milk with a hint of sweetness, is inspired by the beautiful city of Milan where the first espresso maker was made. Espresso continues to be an important part of the culture and heritage of Milan, and the heart and soul of Starbucks. Available in Japan and South Korea.

Qandi™ Caramel: A sweet blend of delicious caramel, Starbucks® coffee and fresh milk, this indulgent beverage is inspired by the Island of Crete, which is credited for first bringing buttery and smooth caramel to the world. Available in South Korea, the UK and Germany.

Paris Café Au Lait: A blend of high-quality Starbucks® Espresso Roast coffee with fresh milk—just as the Parisians would wish. This no-sugar-added beverage is inspired by the romantic city of Paris, where coffee meets perfection with a touch of milk for a natural sweetness. Available in South Korea.

Aztlan Mocha: This is an indulgent Caffe Mocha with the aroma that results from the ideal pairing of Starbucks® Espresso Roast coffee and rich chocolate mocha flavor. Aztlan Mocha is inspired by Azatlan, the mythical birthplace of the gods of the Aztec people, who respected the cacao as the food of the gods. Available in the UK and Germany.

Starbucks Discoveries® chilled cup coffees are also available in other limited time offered flavors and seasonal favorites including Kyoto Matcha Green Tea Latte and Provence Crème Brûlée.
