Holiday Food

NEW Chocolate Swirl Brioche

Brioche, known for its buttery flavor and tender crumb, is layered with a dark, fudge-like chocolate filling and a hint of cinnamon. To make it thoroughly irresistible we lightly glaze the top with a drizzle of honey syrup.

NEW Pistachio Honey Croissant

It's hard to top perfection—especially layers of buttery, flaky perfection. But we figured it out: add rich pistachios and a sweet honey glaze.

NEW Sugar Plum Cheese Danish

Cream cheese filling surrounded by a fluffy danish is topped with spiced sugar plum spread. It's such a dreamy combination of flavors that you'll have visions of this holiday delight long after your last bite.

NEW Penguin Cake Pop

During the holidays we love to dress up our stores, our cups ... and our cake pops. This adorably festive treat is vanilla cake covered in a chocolaty coating.

Cranberry Bliss® Bar

A blondie cake base, topped with sweet cream cheese icing and tart dried cranberries, garnished with white orange drizzle. Also available for purchase by the tray.

Gingerbread Loaf

Gently spiced cake with candied ginger, topped with delicate icing with a hint of orange - only available for a limited time.

Peppermint Brownie Cake Pop

A delightful treat with peppermint chocolate cake, white chocolatey frosting and festive bits of crunchy candy cane pieces.

Iced Snowman Cookie

There might be a little magic in this buttery shortbread snowman cookie dressed up in white chocolatey icing.

Holiday Turkey Panini

A generous portion of sliced turkey breast is at the heart of this holiday-inspired panini. It's topped with cranberry-herb stuffing and turkey gravy then served warm on toasted ciabatta bread. It's a handheld turkey dinner.

Carved Ham & Swiss Breakfast Sandwich

We elevate the ham and swiss standby to a sandwich you can't pass up: Maple ham, creamy Swiss cheese and a fluffy scrambled egg on our signature croissant bun.
